@HappyHoundsIndy

We are deeply thankful and grateful to all of our customers and supporters who have trusted us to care for your beloved dogs these past four years.

The last day of business for Happy Hounds will be November 1, 2024. The board of directors of The Alex and Ali Foundation have restructured our business model to have one entity on the southside of Indianapolis for the long-term sustainability of the foundation.

We are so thankful for our loyal staff, volunteers, team members, and customers that have been on this wonderful journey with us.

Any outstanding punch card balances will be transferred into gift cards redeemable at the Hope Gallery.

Again, we appreciate your support immensely.

Jennifer Parker
